## Pre4Uni University Preparatory Course

# About Us

Located in the vibrant city of Berlin, Pre4Uni course, the International Advanced Levels (IALs) at eIET is accredited by Pearson Education Ltd. We offer a unique opportunity for students to obtain their university entrance qualifications in either English or German at our eIET campus.

eIET is dedicated to providing quality education and a high-level curriculum designed for our students to achieve their dreams of becoming professional and well-educated. At eIET, we envision a future of innovation, entrepreneurship, and technology collaboration to shape a forward-thinking world.

The excellent faculty members share students real-time educational experiences and knowledge through their teaching experiences. The students can study, explore and experience different things with eIET throughout their education.

# Benefits of pursuing Pre4uni.

## 1. Global Recognition

They are internationally recognised qualifications that facilitate access to universities and employment opportunities worldwide.

## 2. Preparation for University

The academic depth of Pre4Uni prepares students for the challenges of higher education, fostering independent learning and research skills.

## 3. Language Proficiency

For subjects like English Literature or language, Pre4Uni contributes to improving language proficiency, a valuable skill in many professions.

## 4. University admission

Successfully completing the course can enhance a student's eligibility for admission to prestigious universities.

## 5. Flexibility

The exams are conducted in January, June, and October for most subjects. The students can take exams for any papers when they feel prepared.

## 6. Subject Specialisation

It allows students to specialize in specific subjects of interest, tailoring their academic path to align with future career goals.

## 7. Academic Rigor

Pre4Uni provides a challenging curriculum, helping students develop critical thinking, problem-solving, and analytical skills.

## Facts & Figures

**Qualification:** Obligatory examination which gives the qualification to study a bachelor's programme at any University in Germany.

**Study location:** Berlin, on campus, external or Online

**Duration:** 2 semesters

**Languages:** English and German

**Enrollment:** Any Time

**Certificate:** International Advanced level

# Qualification Criteria

This program is suitable for individuals who meet at least one of the following conditions:

1. You have participated in the qualifying program at eIET but unfortunately did not pass.
2. School posed challenges for you in the subjects of mathematics, statistics, or economics.
3. You aim to bridge the educational gap between your school education and the German Abitur.
4. You are planning to relocate to Germany for the first time and wish to gain insights into the culture and language.

## Application Process

- 1. Online Application:** Kindly submit your application through our online portal. Our admissions team will carefully review your application and reach out to you within one week.
- 2. Assessment Centre:** Upon thorough review of applications, eligible candidates will be invited to an online assessment centre.
- 3. Feedback:** You will receive the outcome of your application within the week. In addition to academic performance and online assessment results, we will also consider other accomplishments such as participation in international projects, volunteer experiences, and internship programs.
- 4. Course Commencement:** A week before the course starts, there will be an introductory class for students, providing an opportunity to meet your classmates.

# FAQ's

## **01 What do you mean by Pre4Uni? Is it a diploma course?**

No, it is not a diploma course. It is a preparatory course that the students can take if they aim to get admission to a German University or need to fill gap between their previous education.

## **02 Is the preparatory course mandatory for University admission?**

No, it's not mandatory for everyone, but if the individual's school-leaving qualification is not recognized in Germany, then the individual should attend the preparatory course.

## **03 Is the preparatory course and foundation year course the same?**

Yes, it is the exact course but with different names.

## **04 How many semesters do you have in a preparatory course?**

It's a two semester course for one year.

## **05 Suppose I am doing a preparatory course in Berlin. Can I choose my bachelor's study in some other state in Germany?**

Yes, it's optional for students whether they want to continue their studies in Berlin. The students are allowed to choose any University in Germany.

## **06 How much will it cost to study a preparatory course in Berlin?**

It will depend on the institute you are choosing for the course.

## **07 What are the pre-requisites for enrolling in the preparatory course?**

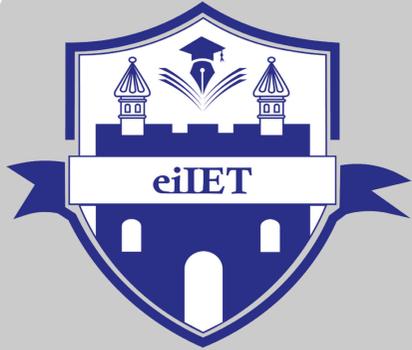

Most preparatory courses have no specific pre-requisites, but a basic understanding of related subjects may be beneficial.

## **08 Will I receive a certificate upon completion of the preparatory course?**

Yes, students who complete the course will receive a certificate of completion.

## **09 Can I transfer credits earned in the preparatory course to other programs or institutions?**

Transfer credit policies vary by institution, so it's best to check the specific program or institution you plan to transfer to.
