About Us

European Institute of Innovation, Entrepreneurship, and Technology (eiET) cordially invites you to explore its offerings. An esteemed establishment perfectly situated at Lessingstraße 79, 13158 Berlin, Germany. You'll be surrounded by an environment that skillfully combines tradition and cutting-edge education as soon as you arrive on our gorgeous campus, creating the foundation for an amazing academic experience.

Advance in your academic career by being a student of the vibrant eiET community. Our university, which is situated in the charming city of Berlin, provides a unique blend of traditional and modern instruction, providing you with the ideal starting point for success.

Whether you're searching for quiet learning environments, access to innovation, or cultural enrichment, eiET has everything you could possibly need. Come along with us as we set off on an exciting journey toward achievement, growth, and advancement.

Mission & Vision

The mission of eiET is to serve society and improve the quality of life by imparting high-quality innovative education in management and technology, providing training and development services, fostering research, giving consultancy services to the industry, and disseminating knowledge through the publication of books, journals, and magazines.

The vision of eiET is to be an Institute of Academic Excellence with a total commitment to quality education and innovative research in Management and Technology with a holistic concern for a better life, environment, and society.

Campus in the Capital of Germany

Whether you are embarking on your educational journey with us for the first time or returning for another exciting year, we value your presence greatly. At the heart of the eiET, we firmly believe that learning is a transformative experience, with you at its core. Our institution is a beam of learning, innovation, and boundless opportunities.

Our unwavering commitment is to provide you with the finest education, guidance, and support to help you realise your aspirations. Please understand that your journey within our institution is not solitary; our success is intricately linked to yours.

Application Process:

The application process typically involves the following steps:

- 1) Apply to eIET: First, you must apply and receive an offer of acceptance to a programme at eIET.
- 2) Financial Planning: Arrange your finances to meet the required financial means.
- 3) Visa Application: Submit your visa application at the German embassy or consulate in your home country.
- 4) Visa Interview: Attend an interview at the embassy or consulate if required.
- 5) Visa Approval: Once your visa is approved after the completion of the visa process, you can make plans to start your studies in Germany.

Join us in our perfect setting for both professional and personal development, whether your goals are to explore cutting edge technology, take a chance on entrepreneurship, or harness the force of creativity.
