B. A. in Tourism & Recreation

About Us

Situated in Berlin, we offer you a doorway to an enriching adventure in Tourism and Recreation which will be delivered in partnership with the University of Tourism and Hotel Management (WSTiH) providing a unique blend of expertise and real-world insights for a fulfilling educational journey.

At eilET, our mission is clear: to empower individuals with the knowledge and skills necessary to thrive in the ever-evolving landscape of data. Our courses cater to all level of expertise. Our commitment to creating a supportive and engaging learning environment sets us apart.

Our team of industry experts and experienced educators shares practical insights alongside theoretical knowledge. With expert instructors, a comprehensive curriculum, interactive learning experiences, flexible scheduling, and a vibrant community, eilET is the ideal destination for those looking to excel in the dynamic world of Tourism and Receptions.

Dr. Naresh Seetharam

"Greetings, pupils! As you get ready to start your academic journey with us, I would like to take this opportunity to personally welcome each and every one of you. You'll be surrounded by a community of enthusiastic academics and professionals at eilET who are committed to the study and progress of tourism and leisure as soon as you arrive. You will acquire both academic knowledge and practical skills through interesting lectures, practical projects, and fieldwork, which will set you up for success in this fascinating profession.

You'll have access to mentors, and networking opportunities outside of the classroom to further improve your career and academic growth. Let's set off on this life-changing adventure together, where curiosity has no boundaries and every new finding puts us one step closer to achieving the full potential of travel and leisure. Welcome aboard, and let's work together to maximize this amazing journey!"
